PERSONNEL DECISIONS INTERNATIONAL OPENS OFFICE IN STOCKHOLM

STOCKHOLM, SWEDEN (Mar. 31, 2008) – Personnel Decisions International (PDI), a global consulting firm specializing in talent management and leadership development, recently opened an office at Vasagatan 36 in Stockholm.

PDI was established in Scandinavia more than 10 years ago. The new Stockholm office will house PDI's Swedish team of consultants and will continue to be a full-service office, offering PDI's entire portfolio of consulting services.

“There has been a significant increase in demand from Swedish firms for PDI solutions, which created a need for a larger and more modern office space,” said Klaus Schuler, senior vice president of PDI's European, Middle East, and African region.

“The office is centrally located and easy for our customers to access, whatever way they travel. Moving into our new office was a great moment for the Swedish team. We are pleased with the new space and its benefits to our customers,” said Hans Östlund, managing director for PDI's Sweden operations.

“PDI is committed to serving its clients with the sophistication of global firm and the personalization of a local presence,” added Schuler.
